1. **Approve November club meeting minutes** (sent via email - available on website)

Minutes approved, with fix to Steve attending for Michelle Hamilton

2. **President's Report - Marten**

- Tryouts – 2011 and 2012 kids trying out. Carrie and Greg have stepped up to take over the tryouts and have done a great job of organizing, also thanks to Christine and her husband and Fred for being available at the tryouts. Our relationship with AYSO has really benefitted our program, and we should look for ways to give back to AYSO.
- Nick's organization have gone through some changes. Alvaro is moving to Marin, Nick has been working to bring in new coaches, as well as females. We are also looking to bring in coaches that are not associated with Nick's organization.
- Concerns were brought up about the payment scale for the young coaches in Nick's organization and they are leaving teams. Some teams have lost a coach every season or two. Teams are looking to find coaches outside of the USC organization. Teams do not feel like they are benefitting from having coaches under this umbrella. Managers, if you have experience with any coaches outside of the club that are interested in picking up more teams, send them to Marten for review.
- Action item to schedule a meeting of managers from Nicks teams with the board to discuss the concerns. After this meeting, the board will schedule a meeting with Nick. Lynn and Marten will send out a proposal of days and find space, potentially next Wednesday.
- DOC oversight committee needs to reconvene.

3. **Uniforms - Karen**

Moving to new uniforms fall 2019 (Adidas contract expires), Karen has investigated the options with Adidas, Nike, Puma, including pricing, fit, quality. Samples were provided and as a group we decided on Nike. Karen will move forward with getting everything setup and will communicate as she moves forward.

4. **Fields – Jon Burt**

There are still some games going on this weekend and there is a chance of rain. Games should be good to go on Heather and Crestview.
