March 13, 2018, 6:00 pm, San Carlos Youth Center

1. Approve February club meeting minutes (sent via email - available on website)

Minutes approved.

2. President's Report - Marten Mills

- City did not update field hotline today. Marten spoke with City to re-emphasize the need for daily updates during the rainy season - not just "as conditions change"
- Board Mtg discussion re: Positive Coaching Alliance's "Triple Impact Competitor" workshop - targeted toward HS age players and "Junior Triple Impact Competitor" workshop - targeted to younger age players. Looking into possibly running these in August at start of next season.

3. Registrar Report - (Marten for Christian Bjoernson)

No Report

Several of the newer teams need help with Primary roster in Got Soccer - directed to send note to Registrar@sancarlosunited.org

4. Treasurer Report (Marten for Scott)

No Report.

5. Fields (Marten Jon Burt)

- See Hotline issue above in President's report
- Mowing Stadium. City has to wait until it dries out a bit. Then will have 2 or 3 stage mowing procedure - can't cut it down to ideal playing height in one mow.
- Will is laying out lines for Stadium, Crestview, Heather, Burton this week. Training for field lining will happen after that
- Stadium should have two 7v7 fields and one 9v9 field
- If on Highlands for evening game and need lights to be on, recommend sending email to mcrossfield@cityofsancarlos.org on Wed or Thr prior and remind her to program the lights to stay on until 15 min past end of match or 10pm - whichever is later
- If on Highlands for first AM game, no one allowed on field before 8:00 am -- please alert opponents

- Nike contract discussed at Board Mtg. Teams that want new uniforms will be able to get in time for 2019 Fall season.
- Uniform Bank will be set up for teams that want to continue to use old Adidas uniforms or for players that need the old Adidas uniforms.
- Teams cannot mix Nike and Adidas (there would be panic and mayhem on the streets)
- 2011s using Goetz with just jersey's to make costs more reasonable.

8. Fundraiser and Community Building (Marten for Roberta and Debbie Freeman/Dave King)

- Roberta finding dinners that work.
- 04/05 Girls Ball Kids at SJ Earthquakes game on 20-Apr
- Hometown Days, Planning has started

9. Club Manager and Volunteer Updates

- SBTB coming in august

10. Scholarship/Financial Aid

- Danielle re-opened the form for late applications. Award checks should be coming soon
- reviewed process of awarding financial aid
- Several managers stated they are uncomfortable providing feedback on applicants. Marten explained that it is important and needed since the scholarship committee does not have full insight into all applicants' situations. There have been situations where awards were not appropriate and we want to make sure that the award money is truly going to those families that need the assistance.
