1. **Approve June club meeting minutes** (sent via email - available on website)

Minutes approved

2. **President's Report - Marten**

- Phishing schemes have been going out again. If you ever get an email that looks like it is addressed from Marten requesting money to be wired, do not reply to this. Marten will never ask anyone to do this.
- PCA – 3 sessions are scheduled 9/11 parent workshop after 7pm, 9/18 coaches and athletes – coaches in the afternoon and athletes after 6pm. Marten will send out more details in the next couple of weeks. We are targeting younger teams to start bringing them through the process. Potentially starting with 2008's and younger for the parent session. For the sessions with kids, targeting 6th grade through 8th grade. The board will meet and fine tune who will be encouraged to participate.

3. **Registrar Report – Christian**

- Detailed instructions were sent to managers and registrars regarding what needs to be done in Sports Engine to prepare for the season.
- An additional email was sent to parents with details about what they need to do.
- Any questions on this new process should be directed to the registrar email address.

4. **Treasurer Report – Scott**

- Bills are paid! Information will be provided relative to paying club fees
- Per player fees for fall will be higher from last season. We think it will be \$80 per player plus the cost of the player cards. Roughly \$100. Board will meet and finalize this. City and school district raised the field fees. This will impact the per player fees.

5. **Fields – Jon**

- Highlands's lights – we will have no lights for the entire fall season. They will start in August and it will take 3 months. We will be tighter than usual on space. Jon is looking for options of how to divide out the time to be able to be equitable on the space that we have. There might not be 3 practices per week for teams. Will also look at options for perhaps one hour sessions on the turf. Reminder that we are also splitting time with AYSO.

6. **Uniform Updates – Karen**

- Uniforms are starting to arrive. Karen will send notes to all teams when uniforms are available for pickup

7. Referee Report –

- N/A

8. Open Agenda Items and Discussion

- New Laws of the Game for fall season:
